

How very Bazaar

Harper's Bazaar Travel Guide 2010

The ultimate round-up of the world's
chicest hotels, resorts and
private hideaways

From the local to the global, Harpers Bazaar magazine recently featured this 'ultimate round-up of the world's chicest hotels, resorts and private hideaways'. You've probably guessed the punchline, but we love saying it anyway: we're in! Not only that, we were described as a 'fabulous venue for urban glamour'.

And, because it's bad manners to answer back, we've decided just to smile, nod and agree ...
