

The Olive Tree is celebrating being awarded three AA restaurant rosettes!

Few restaurants ever earn the privilege of three AA rosettes; just one in ten in the AA Restaurant Guide has and, currently, we are one of only two in Bath.

The AA say three rosettes demonstrate:
"...the selection and sympathetic treatment of the highest quality ingredients. Timing, seasoning and the judgement of flavour combinations will consistently be excellent."

Do come along and sample the delights for yourself. From 9th September until the end of November our Set Tasting Menu, which changes regularly, will be available and feature some of Nick Brodie's signature dishes.
